2017-2020

- Programming 2 (elective course)
- English 7 (elective course)
- Ran a UF company
- Entrepreneurship (elective course)

WORK EXPERIENCE HIGHLIGHTS

Upzone Åhus Summer 2023

Assist visitors with harnesses and instruct them on how to navigate the high ropes courses. Help people who get stuck or fall on the courses. Open and close the courses. We used the booking system Checkfront. This developed my skills to work in small teams where attention to the surroundings was a key focus
